Vancouver, BC, Canada

Job Experience:

Archive Producer / Visual Researcher

(January 2014 – Present)

- ◆ Utilized strong online research skills to find requested visual material for documentaries, identify copyright owners, negotiate licensing rights and fees
- ◆ Maintained archive database and tagged descriptive metadata for production's b-roll, archives, research materials, and stock video
- ◆ Created documentation of episode timecode logs, archive budgets, notes flagging content with legal or sensitive concerns, and final documentation
- ◆ Provided creative suggestions to directors and editors for additional visuals that better meet the project's style, budgets, CanCon, and/or factual accuracy.
- ◆ Implemented Indigenous Screen Office's Protocols clearances on 2 projects
- ◆ Credited on 10 TV shows (over 100 episodes in total)

Education:

- ◆ McGill University, Master of Library and Information Studies - Archives (2013)
- ◆ McGill University, B.A. - double major in Humanistic Studies and History (2011)
- ◆ Vanier College, D.E.C., Liberal Arts Honours Program (2007)
